**86/19 TOWN COUNCILLOR UPDATE SESSION: ALL**

This agenda item allows Councillors to update the Town Council on projects/events that they are working on as well as about community events occurring in their local area.

**Cllr. Evans** – Raised concerns with regards to the state of the board walk in Goodwick. Cllr. Stokes advised the FGTC that this matter was under review and discussions were scheduled for the future with regard to replacing the walk.

**Cllr. Pepper** – Raised concerns with regards to irregular and improper bin collections on The Slade. There was a discussion with regards to this. The view of the FGTC was that the bin collection service was generally a good service – not without fault, but good. The Clerk offered to assist Cllr. Pepper by writing to PCC to outline the issues that had been raised with him if he wished to take the matter further.

There was also a problem with parking in the same area and could double yellow lines be put up? The Clerk advised Cllrs. to take parking issues to their local PCC Councillors.

**Cllr. Stokes** – It will be the Centenary of the infamous Charterhouse lifeboat rescue on 6<sup>th</sup> September 2020.

**Cllr. McCarney** – Parking issues in Goodwick. Advised to pass details through to her local PCC Councillor, Cllr. Doolin.

**Cllr. Malone Hallett** – Ysgol Bro Gwaun will be holding a Bro Fest and require financial assistance. Advised that the school contact the Clerk for a funding form ASAP.

**87/19 FREE WI-FI IN FISHGUARD AND GOODWICK: CLLR. RYAN**

It was resolved at the previous meeting, that further enquiries would be made with regards to the FGTC continuing with the Towns free Wi-Fi, now that the cost is down to the FGTC, after the three year trial paid for by PCC.

Cllr. Lawton read out a thoroughly researched and positive prepared a report to the Councillors, outlining the different options available to the Town Council.

There was a long discussion with regards to the various options.

The following was resolved:

To carry on offering the free WiFi for the next 3 years, under the following terms:

That a 3 year licence is paid for: £2,340.00

That 3 years for the Splash Page is paid for: £1,050.00

12 months maintenance (initially) is paid for: £1,200.00

The following was also resolved:

That a small working group from FGTC would form to get regular statistical data with regards to usage, in order to analyse the effectiveness of the system.

To send out mailers, advertising local events to encourage visitors to the area.

As the Chamber of Trade had expressed an indifference to the WiFi during recent discussions with them, it was resolved that the scheme would be wholly managed and supported by the Town Council.

Cllrs. Stokes and Murphy abstained from voting. All other Councillors agreed to the resolution.

The Clerk will liaise with Cllrs. to get the task and finish group set up.

**88/19 TOWN COUNCILLOR ALLOWANCES: CLLR. RYAN**

With the introduction of the new Remuneration Allowances that are compulsory for Town Councillors (they can opt out), the Finance Committee had suggested the following:

All allowances, other than mileage and expenses, will be paid at the end of the financial year. All allowances will be paid UNLESS Councillors opt out. This must be done on an annual basis.

Cllr. Stokes asked the Town Council to further support the decision to postpone indefinitely, by way of a letter.

There was a lively discussion with regards to the proposals.

It was resolved that a letter should be drafted to the Assembly Member, the local MP and the Department for Business, Energy and Industrial Strategy (BEIS) advising them that the Town Council fully supported the postponement and ask that they are advised of any further developments with regards to further applications for this type of work in the future.
